

SARS-CoV-RBD-(TEV-Fc-AVI)C w/o-Biotin

Catalog UCS012

Lot 4226

product specification sheet: PS-S012

orders@immunoprecise.com

Product description

This product contains the receptor binding domain (RBD) of the spike glycoprotein protein (S-protein) of the SARS-CoV corona virus (2002). Infection with this virus causes severe acute respiratory syndrome. The spike protein is the common target for neutralizing antibodies and vaccines. The Spike protein contains two subunits, S1 and S2. Subunit S1 contains a receptor binding domain (RBD), which is responsible for recognizing and binding with the cell surface receptor ACE-2 (products A004 and A005). S2 subunit contains other basic elements needed for the membrane fusion and trimerisation.

Concentration: 1.99 mg/ml
19,1µM
(based on the dimeric stoichiometry)

Volume: 55 µl

Quantity: 110 µg

Label:

S012 SARS-CoV-RBD-(TEV-Fc-AVI)C_w/o-Biotin

1.99 mg/ml in PBS

project 2020_038, Batch 4226

The protein is produced in HEK293 cells and contains a C-terminal, TEV-protease cleavable Fc-AVI-tag, which can be used for *in vitro* site-specific biotinylation, using the BirA enzyme. It was purified to homogeneity (figure 1). The calculated molecular weight of recombinant SARS-CoV-RBD-(TEV-Fc-AVI)C is 104 kDa.

Use, storage and stability

The product should be stored at - 80 °C (stable for at least 1 year). The buffer contains PBS without preservative. After thawing it should be stored in appropriate small aliquots at - 20 °C or - 80 °C (stable for at least 2 months).

PRODUCT USE LIMITATIONS, WARRANTY, DISCLAIMER

The product is not for use in humans

The product can only be used for internal research and development

The product can not be used in any commercial activity (commercial use includes, but is not limited to R&D activities for third parties)

The product can not be resold.

Please contact bd@immunoprecise.com to inquire about further information.

U-Protein Express BV products contain chemicals which may be harmful if misused. Due care should be exercised with all U-Protein Express BV products to prevent direct human contact. All products are intended For Research Use Only and ARE NOT ALLOWED FOR USE IN HUMANS. Each U-Protein Express BV product is shipped with documentation stating specifications and other technical information. U-Protein Express BV products are warranted to meet or exceed the stated specifications. U-Protein Express BV's sole obligation and the customer's sole remedy is limited to replacement of products free of charge in the event products fail to perform as warranted. U-Protein Express BV makes no other warranty of any kind whatsoever, and SPECIFICALLY DISCLAIMS AND EXCLUDES ALL OTHER WARRANTIES OF ANY KIND OR NATURE WHATSOEVER, DIRECTLY OR INDIRECTLY, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, AS TO THE SUITABILITY, PRODUCTIVITY, DURABILITY, FITNESS FOR A PARTICULAR PURPOSE OR USE, MERCHANTABILITY, CONDITION, OR ANY OTHER MATTER WITH RESPECT TO U-Protein Express BV PRODUCTS. In no event shall U-Protein Express BV be liable for claims for any other damages, whether direct, incidental, foreseeable, consequential, or special (including but not limited to loss of use, revenue or profit), whether based upon warranty, contract, tort (including negligence) or strict liability arising in connection with the sale or the failure of U-Protein Express BV products to perform in accordance with the stated specifications.
